

# SANDHILLS QUILTERS GUILD

Happy Holidays, SQG Members! Please read!

We now have approximately 62 quilts of various dimensions that will be exhibited at the Campbell House beginning on January 6 and continuing to February 15. We are responsible for the reception opening night from 6 p.m. to 8 p.m. We already have the wine, water and ice taken care of as required. The Wannabees made the flower centerpieces and "floral" decorations, and the fabric flowers are ready to go. Now, we need a volunteer or a bee to take over organizing the food portion of the reception. Please review the following and let me know if you can help us out with this.

The Arts Council has the cups, napkins, trays, paper doilies, and tablecloths for us. The set up on January 6 must be in place no later than 5:45 p.m., preferably before. Several members have volunteered to provide finger foods or light hors d'oeuvres. The key word is light. The Council is very aware of keeping everyone safe and food handling to a minimum. These are the members who have signed up to help with the food:

Lynette Crosby	Teresa Eichelberger
Linda James	Patti Cifelli
Marilyn Wunsch	Joyce Riedell
Liz Stern	Linda Seiberling
Mary Abbott Williams	Pat Rice
Roey Mendel	Pat Stack
Criss Hastings	Susan Wiener
Peg Whitlock	Christiana Dean

We need to accommodate approximately 100 to 125 over the two-hour period. Please let me know if you or your bee-mates are willing to take over this part of the event. I think it's going to be a great one!

Thanks! Lynette
