Please post the enclosed if you have a neighborhood Facebook page.

National Quilt of Valor Sew-in Day Saturday February 4 th, 2023 is the annual national Quilts of Valor Sew-in day. Thousands of quilters across the country will gather or sew in their homes to create quilts for our active military and veterans who have been touched by war.

Locally, the Sandhills Quilters Guild will be hosting a sew-in at the Seven Lakes West Community Center, 556 Longleaf Drive, West End. We will be at the upper level. We will be there from 9am - 5pm.

We will have projects ready to sew, as well as kits for this year's Quilts of Valor Foundation block. Stitchers can bring along a portable machine and join in for all or some of the time, or they can stop in and pick up a block kit to take home and turn in later. We will have snacks, and this is a good way to meet others who quilt or sew in your area.
