

SANDHILLS QUILTERS GUILD

UFO Challenge

The UFO Challenge is back! Here's how it works.

1. Bring your list of unfinished quilts to the January/February Quilt Guild meeting or email it to me. Be sure your name is on the list. This is done on the honor system. Size of quilts and current progress doesn't matter. If you would like a form, here's one from Patchwork and Poodles

<https://patchworkandpoodles.com/project-tracker-free-printable/>

2. When you complete one of the quilts including quilting and binding/facing, show it at the meeting and let me know which one it is.

3. You will be entered into a monthly drawing and into a drawing next December for a gift certificate at Pineapple Fabrics.

Each and every quilt is "our baby" no matter if we are a beginner or a well-seasoned quilter. So don't be shy. Experience the thrill of finishing some of yours and sharing your work with others.
