- Additionally – where your name tag and “Ask me about Quilting” sticker at the show and share your expertise!

Mobile Bidding

- We will be using Mobile Bidding for the Silent Auction
- The bidder will scan the QR code with their smart phone to bid on an item. They will receive texts/emails if they are outbid and given the chance to bid again.
- The volunteers at the Silent Auction will be able to enter a manual bid for those without a smart phone.

Admissions

- This year we are using colored wrist bands.
 - This will allow people to come in and out of the back entrance.
 - Also if they need to run out, maybe they'll come back!
